**Subject:** My Righteousness

Dear child,

Please do not be ignorant of My righteousness. Do not be like the world who has set aside My righteousness and has sought out to establish their own. I have done all I can do to save you without violating your free choice. I have sent My only Son, who has given His life on the cross that you may live and be with Me forever and ever. I am Light and Righteousness by nature and can have no fellowship with the sinful works of darkness, therefore in order for you to be with Me you must put on My Righteousness, walk in the Light as I am, and be holy as I am holy. If you love Me, respond by putting on Christ Jesus and by walking in My righteousness.

Love,

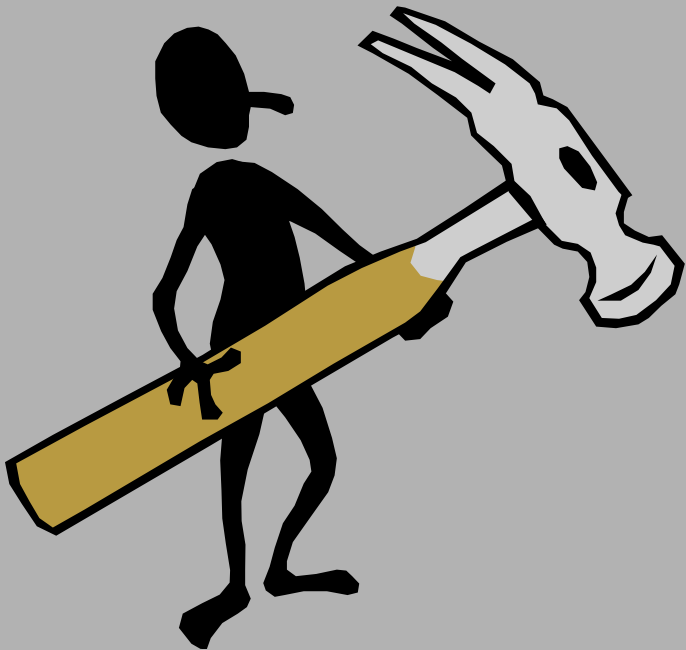

The Father
